FINDS HIS FAMILY OVERCOME BY GAS II

New-Fangled Corset Trans- Brooklyn Man Comes Home Just in Time to Save Wife and Sons.

Are you too fat or too thin, and do Archibold Shearer, chief engineer of same time Shearer smelled gas and be

ers against the heavy front door an

beauty and a joy forever.

Mme. Conklin is the latest creator of fascinating figures. In a lecture given yesterday afternoon for the benefit of beauty seekers she divulged the secret of producing curves on forms both scrawny and fat. Not only with words did she instruct the ignorant, but with living models of various figures.

Shapeless though inquisitive members of the fair sex eagerly stormed the doors in their cots. None of them could be aroused.

After throwing the windows open. Shapeless though inquisitive members of the fair sex eagerly stormed the doors in their cots. None of them could be aroused.

Shapeless though inquisitive members of the fair sex eagerly stormed the doors and gained an entrance. The rooms were filled with the fumes of gas, which was eaping from the stove in the kitchen. On the bed lay his wife unconscious from inhaling the gas and his two sons. John, aged eight and James, aged six, were prostrate in their cots. None of them could be aroused.

After throwing the windows open. Shearer's neighbor called the Norwegian Hospital ambulance. Dr. Stellman worked over the mother and children more than an hour. They responded quickly to treatment and were pronounced out of danger. The physician stated that another hour's exposure to the gas would have killed the three.

The fat had disappeared as if by magic, and a trim figure stood upon the platform proudly displaying her newly acquired whist and greatly reduced hips. Her turn was over and the next model appeared. Tall and lanky, this one was, without a vestige of flesh, and it looked as if Madame Conklin was decidedly up against it. Faschating curves seemed out of the question with a model of this kind, but nothing daunt are due corsetiere, prepared to transform and her into a vision of lovellness.

There are many of the lesser symptoms of kidney trouble which can be treated at home is stated by a well known authority. For some of these, such as backache, pain in the region of the kidneys, weak bladder, frequency (especially at night), painful scalding and other urinary troubles, try the following simple home remedy. Fluid Extract Dandellon one-half ounce, Compound Syrup Sersaparilla three ounces. These simple ingredients are harmless and can be obtained at any good prescription pharmacy and any one can mix them by
